

INTELLIGENT GRAND SUV IM6

EVOLUTION AUTO IS A JOINT VENTURE BETWEEN ATMAN GROUP & SINO LANKA.

As a prominent player in the New Energy Vehicle sector, Evolution Auto is dedicated to advancing sustainable transportation through strategic global partnerships. With a strong international presence, the company delivers cutting-edge electric vehicles to the region.

In Sri Lanka, Evolution Auto collaborates with leading electric vehicle manufacturers to drive sustainability, promote eco-friendly transportation, and reduce carbon emissions, contributing to a greener future.

Atman is a Singapore-based multi-family office investment firm specializing in global strategic investments across high-growth sectors worldwide, with a strong presence in key Asian markets.

The firm's diversified portfolio spans hospitality, aquaculture, retail, agriculture, and renewable energy, reflecting its commitment to sustainable and value-driven investments.

Sino Lanka is a Sri Lankan entity focused on development across Asia through a collaborative network of individuals sharing strategic goals and impactful initiatives.

Their diverse investment portfolio spans several fields, including leisure, healthcare, education, financial services, renewable energy, and technology-driven solutions.

OUR LOCATIONS

INTELLIGENCE IN MOTION

IM Motors is a high-end electric vehicle brand born from a joint venture between SAIC Motor, Alibaba, and Zhangjiang Hi-Tech. Positioned in the premium segment, it focuses on fusing intelligent technology, luxury design, and cutting-edge innovation to redefine smart mobility and elevate user experience in the future of electric transportation.

A NEW ERA OF INTELLIGENT LUXURY MOBILITY

The IM6 is an intelligent luxury large SUV, combining futuristic technology with elegant design. It offers roomy comfort, superior craftsmanship, and powerful electric performance, crafted for drivers who demand sophistication and confident presence on every journey.

IM6	4,904mm Length	1,988mm Width	1,669mm Height
TESLA MODEL Y	4,770	1,920	1,624
AUDI Q7	5,063	1,970	1,703

PERFORMANCE THAT DRIVES YOU FORWARD

The IM6 offers impressive range, performance and rapid acceleration. Engineered for responsive driving, it delivers smooth, confident power that transforms everyday journeys into thrilling, efficient electric experiences.

468 Km

Range (WLTP)

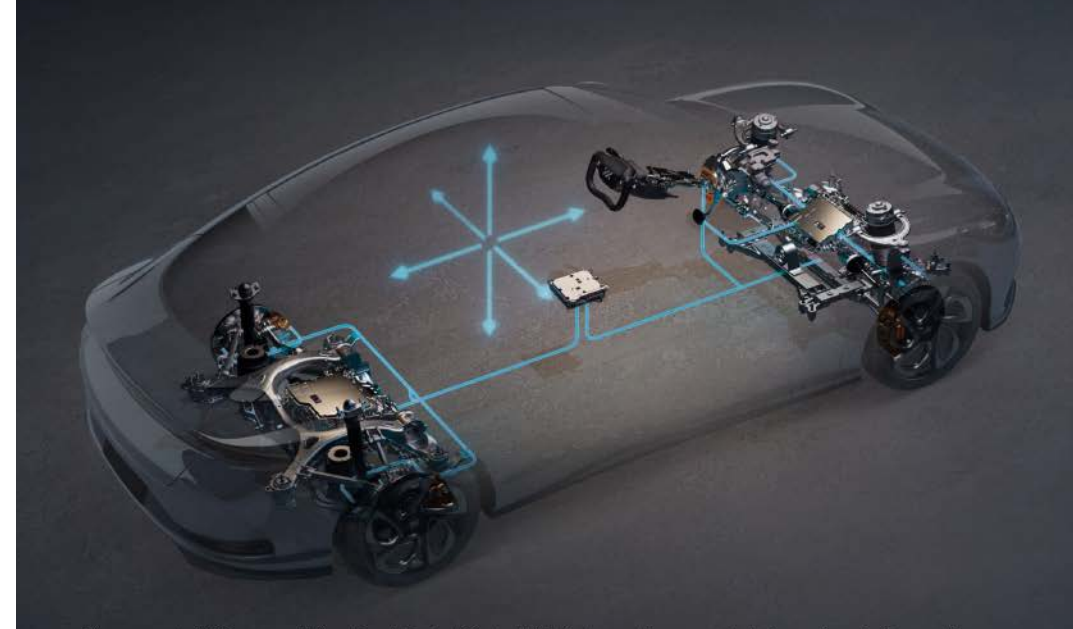

109 kW

Motor Power

INDUSTRY-LEADING CHASSIS COMPONENTS

Equipped with cutting-edge chassis components and class-only intelligent four-wheel steering, the IM6 delivers refined control, balanced dynamics, and unwavering stability—designed for smooth, confident drives across all road conditions.

Enhanced Vehicle Motion Control

Manages 6 degrees of motion through linked controls and advanced components, delivering precise, stable, and highly responsive driving performance with seamless cross-domain coordination and enhanced vehicle stability.

IM Intelligent Digital Chassis

Enjoy responsive control, advanced suspension tuning, sharp handling, and improved driving safety.

Power That Goes The Distance

IM6's 75kWh battery with smart management enables fast charging and extended range.

RAINY NIGHT MODE

IM's Rainy Night Mode enhances visibility by projecting AI-enhanced camera views on the interior screen, highlighting nearby pedestrians and vehicles while improving brightness and clarity when mirrors fail in poor weather conditions.

Precision Vehicle Steering

Features a rear-wheel steering system with up to 12-degree rear wheel turns, improving maneuverability, stability, and turning radius for confident handling at speeds below 5 kmph.

Crab mode

The IM6's Crab Mode enables lateral movement and tight turning with four-wheel steering, offering agile, confident control in narrow roads, parking garages, and complex spaces.

Intelligent Mobility Experience

The IM6 offers an irresistible intelligent cabin featuring a spacious, ergonomic design with advanced AI-powered controls and immersive touchscreen interfaces, delivering a seamless, connected, and comfortable driving experience.

Refined Interiors

Features premium tear satin trim, patterned walnut deco, and melange artistic fabric accents.

Mobile Expansion

50W ventilated wireless charging pad supports Mag-Safe for fast, cool, magnetic phone charging.

ADVANCED COMFORT MEETS TECHNOLOGY

The IM6 cabin provides abundant space for all passengers, boasting exceptional front and rear legroom, headroom, and knee clearance.

Premium ultra-soft synthetic leather seats feature extended cushions and integrated heating, ventilation, and back-relaxing technologies for enhanced comfort on every journey.

Smart Storage Compartments

Designed for everyday ease, the IM6's numerous smart storage compartments keep valuables and essentials safely stored and easily accessible, enhancing the overall comfort and functionality of the cabin.

SCULPTED WITH GENTLE PRECISION

The IM6's exterior showcases streamlined aesthetics and gentle sculptural lines, creating a striking design from every angle that blends elegance with dynamic presence for a bold, sophisticated road presence.

Drive with Distinction

The IM6's rear exterior combines sleek LED taillights and sculpted contours to create a striking presence, enhancing your driving confidence and leaving a lasting impression wherever you go.

Command The Road

The IM6's electric tailgate opens and closes smoothly with just a touch, revealing a spacious trunk that easily fits luggage for hassle-free loading and travel convenience.

COMMANDING PRESENCE

Aerodynamic precision and sleek, sculpted styling define the IM6's roofline, crafting a top view that exudes modern sophistication.

Elevate Your Presence

The IM6's sleek futuristic taillights deliver striking style and enhanced visibility for safer night driving.

Active Noise Cancellation

Advanced noise management with double-layer soundproof frameless windows and Active Road Noise Cancellation delivers exceptional cabin quietness.

Engineered for Clarity

The IM6's front LED lights offer bright illumination, superior daytime visibility, and advanced fog light functionality.

ONE-TOUCH IAD ASSISTANCE

With one touch, the IM6 effortlessly handles city driving challenges. It scans and parks automatically, precisely maneuvers curbside, smoothly pulls out of tight spots, and reverses safely using recorded paths and obstacle detection—making every maneuver stress-free and confident.

Unmatched 360° Safety

High-strength submarine-inspired rib design provide comprehensive 360° safety protection.

High-Speed Control

IM6's emergency avoidance system offers 30% sharper response and handling for confident maneuvering.

Advanced Airbag System

The IM6 offers front, side, and curtain airbags for enhanced occupant safety.
